

PIERREPONT SCHOOL
Westport, CT

Dear Middle School Parent,

Thank you for your interest in Pierrepont School. I have enclosed some literature about the school and an application for admission. Should you choose to apply, here is the procedure:

- The application process requires an individual interview and admissions testing with each applicant, so we encourage submitting the application as soon as possible. The application deadline is **January 15**. There is a \$75.00 application fee.
- After we have received your application, we will call to arrange an interview and admissions testing, which consists of a series of activities and questions. If your child has taken an intelligence test recently, please bring in a copy of the results.
- Please send the enclosed *Records Release Form* to your child's school as soon as possible. If your child has attended more than one school, we require a copy of your child's records for all other schools as well.

Give the enclosed *Teacher Evaluation Form* to your child's current teacher. The teacher does not have to return it to us until he or she has had sufficient time to get to know your child. However, we must receive it by January 15. If your child has attended more than one school, we will gladly accept evaluation forms from other schools as well.

Applicants currently in Grades 3-4

We require a reading comprehension test that is normed against other independent schools such as the ERB or ISEE. If your child has been tested by ERB/ISEE, results should be sent to our admissions office. If not, please contact the Educational Testing Service for testing sites and dates.

Applicants currently in Grades 5-8
