

## Recommended Reading

Pierrepoint has an extensive chess library that we encourage the students to borrow from. Students should speak to Daniel about borrowing chess books and for personal recommendations. Below are some general recommendations, sorted by level:

### **Players Under 1000:**

**Winning Chess Puzzles For Kids** by Jeff Coakley  
**Winning Chess Strategy For Kids** by Jeff Coakley  
**Bobby Fischer Teaches Chess** by Bobby Fischer

### **Players Between 1000 and 1500**

**Winning Chess Strategies** by Yasser Seirawan  
**Winning Chess Tactics** by Yasser Seirawan  
**The Amateur's Mind** by Jeremy Silman

### **Players Between 1500 and 2000**

Players over 1500 should see Daniel for personalized recommendations.
